

# LOMO ALTO

RESTAURANT DE CARN

---

A top-class dining experience  
in the centre of Barcelona

# LOMOALTO

LomoAlto is a restaurant which is passionate about gourmet cuisine and cooking over coals.

Design, a personalised service, private spaces and the finest food await you in the heart of Barcelona's Eixample district.

The restaurant is divided into three spaces: **LomoAlto**, on the first floor, with a fine dining concept; **Sala Pau Claris**, perfect for group meetings; and **LomoBajo**, on the ground floor, designed so you can enjoy the same ingredients but with a more informal concept.

In addition, the restaurant was designed by the prestigious interior designer Lázaro Rosa-Violán and is decorated with over 55,000 white tiles.

All in all, this is a space where design and haute cuisine go hand in hand to offer the best experience.

**LomoAlto:** a unique space that won't leave you indifferent.

**LomoAlto** is unique for the personalised service and advice that customers receive from our staff.

At **LomoAlto** you can choose between different set menus or from our à la carte menu designed for the most demanding palates.

60 guests

LOMO ALTO

## SALA PAU CLARIS

The restaurant has a semiprivate area for group reservations, overlooking Aragó street.

**Sala Pau Claris** offers many possibilities. You choose the distribution: two tables for 20 people, a single table for 30 or any option that can be devised with tables for 10 and 12 people. **We offer a fully personalised service that adapts to your needs.**

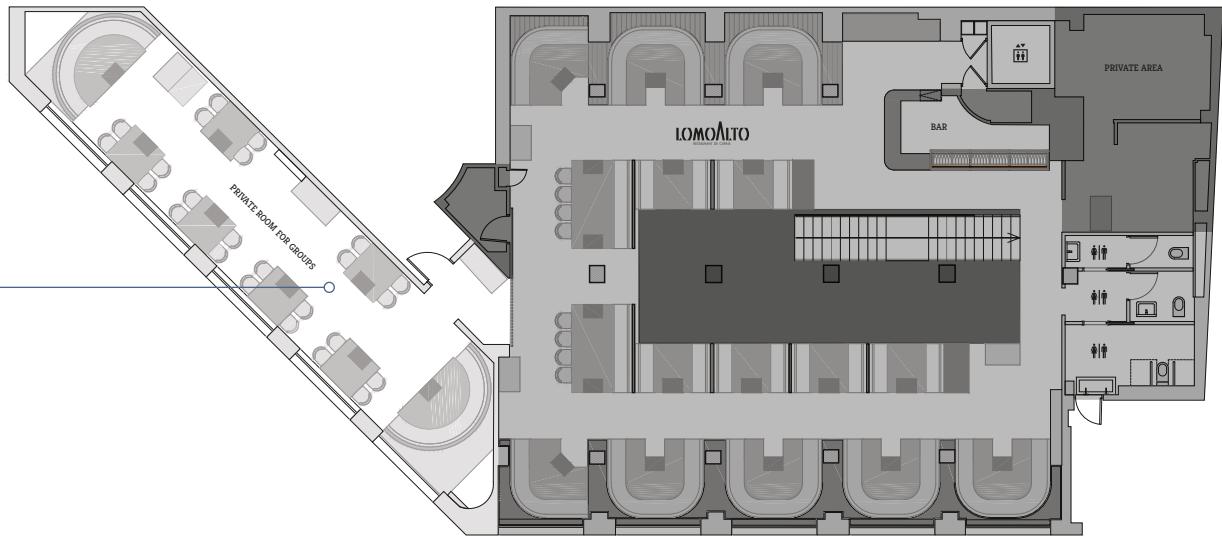

The perfect choice if you are looking for a central location with quality products to enjoy a unique dining experience.

**SALA PAU CLARIS**

Lomo Alto offers the option to privatize the restaurant exclusively for group reservations up to 150 people.

# LOMOBAJO

**LomoBajo** is a space with a faster and more dynamic concept where you can enjoy the finest food, grilled over coals.

This space, decorated with Pop Art paintings by Andy Warhol, is perfect for events and celebrations in a more informal atmosphere.
