The screenshot displays the Eventool administration interface. At the top, there's a search bar and navigation links for 'VER DEMO APP' and 'VER WEB'. The main area is divided into several sections: 'VISIÓN GENERAL' (Overview) with event details like '2023 UDS EMEA Partner Summit'; 'USUARIO EN SESIÓN' (User Session) showing 'Congresomovil'; 'ZONA HORARIA E IDIOMAS' (Time Zone and Languages) set to 'Europe/Madrid' and 'Inglés'; 'CONDICIONES DEL SER' (Service Conditions); 'ALOJAMIENTO' (Hosting) with a 50.0 MB limit and a donut chart showing 3.19MB available (6.38%) and 46.81MB consumed (93.62%); 'LÍMITE DE INSTALACIONES' (Installation Limit) with a 1000 limit and a donut chart showing 918 available (92%) and 82 consumed (8%); 'LÍMITE DE ENVÍOS DE E-MAILS' (Email Send Limit) with a 5000 limit and a donut chart showing 3575 available (72%) and 1425 consumed (28%); 'Gestión del contenido del evento' (Event Content Management) with 'Licencia activa' and buttons for 'INICIO EVENTO' and 'EDICIÓN TOTAL HASTA'; and 'ENLACES' (Links) for the iOS app.
